The following must take place before a New Students Admission will be considered complete:

1. This form must be completed and turned in with the Application Fee and a copy of the student's Birth Certificate and Immunization Records.
2. For Students entering K-Prep-4<sup>th</sup> grade, Individual Achievement Testing will be arranged through the school office after the Application Fee and Documents have been submitted.
3. A copy of the most recent report card, standardized test scores, and a recent photograph are required for grades K-12. A teacher's evaluation form is to be given to the present or prior teacher and mailed back to Prince of Peace Christian School. Students entering grades 6-12 will be interviewed by an administrator.
4. If the applicant's parents concur with the recommendations of the school regarding grade or class placement, then Financial Forms, the Enrollment Fee, and the Registration Fee are due at that time.
5. Prince of Peace Christian School does not guarantee admission to any applicant. It is the mission of Prince of Peace Christian School to provide a quality, Christian education to all of its students. Prince of Peace Christian School recognizes that there may be applicants for admission whose background and circumstances are such that the applicants would require extraordinary attention and/or resources and their admission would therefore disproportionately reduce the attention and resources available to other students. Prince of Peace Christian School also recognizes that from time to time, there may be applicants with backgrounds which suggest that the applicant may pose a potential risk to other students. Prince of Peace Christian School must consider the best interest of its student body as a whole and for this reason it is the policy of Prince of Peace not to accept such applicants. Exceptions to this policy may only be made by the School Board at the recommendation of the head of the School.
