Prince of Peace Families and Friends,

Happy summer to each of you! I pray this finds your children and family doing well, enjoying all that summer has to offer: vacations, stay-cations, reunions, and time to connect as a family and with friends.

I recently had the chance to watch a group of children in THE ZONE summer program at Prince of Peace work together on a puzzle. They quickly dumped the pieces out, made sure they were all face up, and began pooling all the corner and outside pieces. They worked together intently to assemble the border of the puzzle. Once done with the border they congratulated themselves on their accomplishment and began the more difficult task of completing the inside. "That doesn't go like that." I heard one say. "This one first." said another. "This is harder than I thought it would be." I left and returned about an hour later to see the finished puzzle. I congratulated one of the children saying "Great job - you did it!" He replied, "It was hard but we worked together." Life lessons inside a puzzle box with lots of pieces - how do you put it together to make a beautiful picture?

I shared this story because over the last several years we, too, have been putting together a puzzle as a school family. We have established the borders: academic excellence, developing and equipping disciples and leaders, creating opportunities to build relationships through arts and athletics in a safe, nurturing family community. We began placing the pieces in the middle: caring and committed teachers, staff and coaches; emphasis on 21st century skills and technology; curriculum refinement and alignment; new facilities to care for our youngest; and facilities allowing gifts to be explored and shared with our community in arts and athletics. We will continue placing the puzzle pieces this year as our new 5-year strategic plan is shared, further developed and adopted in the spring, leading to our re-accreditation visit a year from now. I continue to invite your active presence and participation in this continued puzzle building process. I believe that, just like the children in THE ZONE, we will be able to complete the puzzle, and also share, "It was hard but we worked together."

I am seeking to better capture and share stories of our school, and how we make a difference in the lives of your children and family. I have asked our Principals and will also ask our teachers to help me capture several stories each month where we see God working and moving in our school community. Your story may be significant or small, but each is important and a piece of the puzzle. My desire is to be able to share some of those stories as I visit with prospective families. I will share these with you through the Eagle Express and Headmaster E-letters, use them as our parent and student testimonials on the web site, and work with some of our middle and high school students in creating 60 second videos to share with our Prince of Peace Community. I am asking, "What's your story? Will you share it with me?"

Please share your story with me at chris.hahn@princeofpeace.org.

I look forward to seeing many of you on August 15th at 4:00 when we celebrate and seek God's blessings on our children, our school and upcoming year at the School Opening Worship.

I am grateful and humbled to serve as your Headmaster. Thank you for your partnership, your continued support and prayers.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris J. Hahn".

BEFORE-SCHOOL VISITS

In order to provide an initial opportunity for teachers to build positive, personal, co-operative relationships with students and their families before school begins, teachers will contact each of their students to arrange a before-school visit. For students in preschool, visits will take place in the classroom at Prince of Peace. For K-prep-5th students, the parents may request a visit at home or in the classroom. Please work with the teacher to schedule this important time to visit before the first day of school.

Each new Middle School family and all 6th grade families will be contacted by the student's advisor before the beginning of the school year.

Grandparents' Day
Thursday, Nov. 19 and Friday, Nov. 19, 2010

Please note: Grandparents' Day will include students in Preschool - 8th grades.

IMPORTANT! Students' grandparents or friends will receive invitations in the mail. In order to be sure that every grandparent (or special friend) receives an invitation to this special day, please fill out the form and return to the school office. Only one form per family is necessary. Please give complete addresses, especially apartment numbers and zip codes. *Please submit names even if you have given the information in previous years* since addresses change often; grandparents and special friends will not receive an invitation to 2010 Grandparents' Day unless this form is completed with current information.

Even if grandparents live far away and cannot attend, they will be invited to send a greeting in the form of a card or letter to the school for their grandchild. If the student is unable to invite a grandparent, we suggest inviting a close friend or other relative to share this special day with the student.

Grandparents' Day is planned as a day to let Grandparents know that they are special to us, "to show off" our school and students, and to allow the grandparents and students the joyful experience of sharing time together. This information is also used to inform grandparents when their grandchildren are named Top POP.

Hello Future Sixth Graders!

We are so excited to welcome you to Middle School and hope that you are excited about joining us! Hopefully your summer will be wonderful and relaxing; maybe you will be traveling. We hope you are ready for a great year with many opportunities to grow, change, and explore new ideas through all your studies, especially Literature.

To help you prepare, we are asking that you spend part of your summer reading and taking in some great literature! There are so many wonderful books and topics to explore and much of the choices will be up to you as to what you read. There will be a very simple and easy to complete form for each of the three books you choose. (This *is* called “summer reading,” so don’t neglect your end of the year school responsibilities by starting too soon!)

First, choose a book from each of the following genres or topics: 1) realistic fiction, 2) Biblical, mythological, legend, or fantasy, and 3) biography. If you do not find a book on this that you think you would enjoy, please email us as soon as possible with a choice of your own (this is only for the realistic fiction, mythological, legend, or fantasy sections.) It must be the appropriate reading level and also must fit into the genre or topic. All books, whether from our list or of your own choosing, must be books that you have not read before. Expand your mind and horizons with new literature! For questions, our email addresses will be included at the end of this letter. All new choices must be made and approved by the middle of July.

Once you have chosen your books, enjoy reading them! Lie around by the pool or at the beach, stay awake late into the night with a flashlight, bring them along on your family vacation and really become lost in them! Some of the books on the list may have ideas or topics that can be difficult to read about. Allow God to give you this opportunity to grow as a Christian by thinking about ways you could respond in the same situations.

Next, print out and complete a separate form for each book. You are not being required to create a project or come up with a presentation for the first week of school. Just answer the questions, fill in the blanks, and share your opinions of the literature you read. Cursive usually is easier to read than print – just a hint! There is also a sample form for you to look over!!!

Finally, have your completed forms ready to turn in on the first day of school. Don’t worry, it will be crazy and you will be nervous and excited, so if you forget them the first day, just bring them the second day. Try to avoid waiting until the night before to complete the work; trust us - you and your parents will appreciate this!

If you have any questions, please don’t hesitate to email one of us, and we will do our best to respond as soon as possible. We are hoping to do a little traveling too, so if we don’t respond right away just wait patiently. Thanks! Our email addresses are michelle.grant@princeofpeace.org and meredith.arldt@princeofpeace.org. We will check it often.

Happy Reading!

In HIS Service,

Michelle R. Grant

Choose one book from each genre or topic. Or, email us with your own appropriate choice. Reminder that the books you choose must be new to you. There are no titles listed for biography as those titles will be completely your choice. You only need to email us about your biography choice if you have questions.

Realistic Fiction

From the Mixed up Files of Mrs. Basil E. Frankweiler by [E. L. Konigsburg](#)

Bloomability by Sharon Creech

Sixth-Grade Glommers, Norks, and Me by Lisa Papademetriou

Maniac Magee by Jerry Spinelli

Where the Red Fern Grows by Wilson Rawls

Biblical, Mythological, Legend, or Fantasy

*(Don't let this choice confuse you - the Bible is certainly **not** a myth, legend, or fantasy!!*

It is without a doubt the inerrant Word of God!)

Ephesians (It's short, but powerful!)

Acts (It's long, but absolutely amazing and definitely worth the read!!!)

Aesop's Fables by Aesop (Choose at least 8 fables to read and focus on – or more if you find yourself really caught up in the stories!)

The Adventures of Ulysses by Bernard Evslin

Any of the Chronicles of Narnia series by C. S. Lewis

Biography

Choose a world leader (political or religious). He or she may be living or deceased. This should be a book, not a magazine or Internet site.

**Feel like reading more than one book from each genre or topic?!?! We would highly encourage that! If you want to turn in more than the required amount of work, please feel free. Extra credit points will be offered for additional work that is well done and can be used on Literature tests during the first semester of the 2010-2011 school year. Up to three additional forms can be turned in for extra credit. All extra credit will still be due at the same time as the required work.*

7th Grade

Prince of Peace Christian School Summer Reading 2010 English 7 and English 7H

Dear Incoming Seventh Graders:

As part of the new summer reading program, you will be required to read three books during your summer break. One of your selections must be *Old Yeller* by Fred Gipson. That novel is the only “must read” of the three required texts. You will have considerable flexibility with the other two. In fact, you may select two books from the variety of options listed on the attachment. Keep in mind, however, that each of the two selections must come from a different genre. For example, you may choose one historical fiction book and one fantasy book, but you may not select two historical fiction novels.

In an effort to place greater emphasis on reading, the written component of the summer reading assignment has been considerably streamlined without being diluted in any way. A “One Pager” must be completed for each of the three summer selections. (A “Sample One Pager” will be available for your reference.) These assignments will be due the first day of school.

Please keep in mind that all students are encouraged to read more than the required number of books. Additional books may come from the suggested list or be of your own choosing.

Please do not hesitate to contact me via email if you have any questions regarding the summer reading program.

Dear Prince of Peace Christian School Parents:

We are pleased, once again, to be serving Prince of Peace Christian School for the 2010-2011 school year. In addition to providing wholesome and nutritious meals, we feel the education of good nutrition and eating habits are also very important. In response to this need, we will be introducing new signage and other ways to communicate good nutrition in the cafeteria and help your children make more informed and nutritious choices. We greatly appreciate your sincere interest in the development of your children's school lunch program.

1. All children will have a lunch account and will be provided a lunch card at the beginning of the year. **If you do not want your child to charge items, please let us know and we will make your account "cash only". Otherwise, you are responsible for your child's purchases.** If you have a negative balance from last year, your child will not be allowed to **charge** any item until your child's lunch account is made current. Your child may use **cash** if you desire (except for Pre-orders). **There will be no credit extended. You must maintain a positive balance at all times. If at any time a child's account is negative they will be offered a sack lunch only.**
2. We use a declining balance system for the students to purchase lunch and snacks, and drinks – much like a debit card. This means that parents should deposit \$50.00 per child into the child's or family's account or supply us with a credit card authorization form. Any positive or negative balances from previous years will be carried over into this year's account. **Again, if you have a negative balance, your child will not be allowed to purchase until the account is made current.** This year we will be notifying parents of low balances in either of two ways. We can email a low balance notice or print a weekly low balance notice that is then handed to your child by the school staff. Please let us know which method you prefer. We can use the email address supplied by the school or the address you provide when you enter www.kidsemeals.com. **We will default to the email notice unless you tell us otherwise.**
3. Positive balances can be easily maintained in three different ways:
 - a. Allow us to charge your credit card for your child's purchases (form enclosed). When your child's account balance drops below \$15.00, we will charge your card \$50.00 per child. A detailed printout of all charges is available at your request. **If you have an authorization form on file, we will use it for this coming year. Once a credit card is used, there is a one time \$10.00 per child transaction fee that will be billed to your child's/family's account.**
 - b. Write a check made out to Signature Services for \$50.00 per child listing the child or children's names, grade, and teacher on the check. Drop the check into a Signature Services box in the school office. Cash or checks can be accepted at the time of the sale.
 - c. Go online and deposit money into your child's or family's lunch account. Our web address is www.kidsemeals.com. You may use last year's lunch account numbers or wait to receive a notice soon after school starts.
4. **ONLY ELC AND PRE-SCHOOL MUST PRE-ORDER. WE ARE GOING GREEN!!** A pre-order form is enclosed for the month of August. **Starting with the month of September all pre-orders must be completed online. The cost of the ELC meal is \$2.50 per day.** Money is due upon our receipt of the pre-order. **In case of an absence the charge is not refundable unless we are given 48 hours notice.** You may use www.kidsemeals.com, to place your order. When pre-ordering online our system gives you the ability to insert a special request comment. (i.e. no sauce, no meat, carrot sticks etc.)
5. Pricing:

• Hot Lunch – 3 yrs old thru 3 rd - Entrée, vegetables, dessert, 4 oz. 100% juice, ½ pt. 2% milk or small water	\$4.25
• Hot Lunch – 4 th thru 12 th - Entrée, vegetables and dessert (drink is extra)	\$4.50

6. Other housekeeping issues:
 - **Please note that all children are given a meal card at the beginning of the school year at no charge. If this card needs to be replaced for any reason there will be a replacement fee of \$1.00 each time the student requests a new meal card. In an attempt to prevent erroneous charges on your child's/family's account it is also mandatory that each child present his/her meal card when going through the lunch line, if the child does not have the lunch card the child will not be allowed to purchase on account, if this occurs he/she may purchase using cash. However, we will not let any child go hungry we will offer the child something to eat. (Meal offered may vary due to availability)**
 - Returned checks will result in a \$15.00 charge to the family account. A notification letter will be mailed.
 - When a credit card is denied for any reason, a notice will be mailed plus a phone call to the family. If no response is made within 7 days, the account will revert to a cash account.

KARATE INFORMATION

(1st Graders and Older)

Dear Parent:

As Christian parents, we have a responsibility to our young people. We are constantly searching for new educational opportunities and better recreational, athletic programs to improve the quality of their lives, the purpose being to build mentally, emotionally and physically stronger children who grow to be confident, mature, responsible adults. A well-structured and well-taught Martial Arts program helps achieve improvement of learning skills and development of character, traits needed for the growth of strong young Christians.

The Prince of Peace Martial Arts program has been highly successful as an after-school program for several years. Regardless of how successful or positive a program is, it cannot succeed without the support of students and parents.

The course involves teaching foundational Martial Arts principles with emphasis on discipline, structure, and self control. The goal is to cultivate a lasting interest in Martial Arts. If the student chooses to continue upon graduation, he or she will have a strong foundation upon which to build. Classes are weekly and the length of class varies with the age of the students. Instruction includes class etiquette, basic Martial Arts technique, practical self-defense, and child safety tips. Beginning classes do not involve fighting. Students are not allowed to strike each other. The instructor uses a teaching method that integrates different learning styles.

The class will be taught by an internationally certified Black Belt, with multiple Black Belts, who has taught hundreds of children. The cost is \$420.00 per school year which includes a highly structured class designed for the student's steady progression. Classes will begin on September 7 for beginners, Sept 9 for returning students.

First time students participate in the first class free to see if they are interested in the program. Uniforms (GI) are required for students. The uniform is the only equipment needed and can be purchased from the instructor for \$30.00. A new enrollment form is required for every student (previous and new) each year.

Find out what hundreds of other parents have discovered. No program increases self-esteem, self-reliance, coordination, concentration and strength more than Martial Arts training. If you have ever entertained the idea of seeing if Martial Arts would make a difference in your child, this is the most convenient in-house method of getting instruction tailored to your child. The program offers maximum advantage to the parent – reasonable rates, no lengthy contracts, and best of all - taught at your child's school.
